Event Time

The graph displays the progression of a game over time, from 12:00 to 12:09. The y-axis represents the event time, and the x-axis represents the event time. The graph is divided into four horizontal sections: Team scores, SUM, User scores, and Input bytes. The Team scores section shows a green line representing the score, starting at 0 and rising to 6. The SUM section shows a blue line representing the sum, starting at 0 and rising to 10. The User scores section shows a green line representing the user scores, starting at 0 and rising to 8. The Input bytes section shows a green line representing the input bytes, starting at 0 and rising to 10. The graph also includes a 'STREAM' label on the right side, indicating the data source. The x-axis is labeled 'Event Time' and the y-axis is labeled 'Event Time'.

[illegible][illegible][illegible][illegible][illegible][illegible][illegible]

The graph illustrates the progression of scores over time, divided into four main sections: Team scores, SUM, User scores, and PARSE. The x-axis represents Event Time from 12:00 to 12:09. The y-axis shows the score progression, with key events marked by circles containing numbers (5, 8, 4, 3, 2). The score starts at 5, rises to 10, then to 15, and finally to 20. The graph also shows binary data (0101, 100, 0001, 0001, 0000, 0100, 0000) and a 'on-time' label. The right side of the graph is labeled 'STREAM'.
